

INTRODUCTION

This standard form of Notice of Availability and ADU Sales Offering Agreement (Notice) is to be completed by the developer and submitted to the Department of Housing and Community Development (DHCD) for each ADU or group of ADUs which the developer is ready to offer for sale to eligible purchasers.

The ADU Ordinance provides that this Notice may be submitted any time after the issuance of a building permit(s) for the ADU(s) being offered. In practice, in order to begin the process of offering units for sale, other conditions must also be met. To offer ADUs for sale, the Covenants must have been recorded and sales prices for the ADUs being offered must have been approved by the County Executive (See the documents, "Covenants - For Sale Developments" and "ADU Sales Prices" for details concerning these processes.) Evidence that each of these conditions has been met must be provided as part of the Notice. Copies of approved site plans and/or recorded subdivision plats with notations identifying the ADU lots or units must also be submitted with this Notice.

Units offered must be completed and Residential Use Permits issued within 365 days of the date this Notice is approved. In practice, it has been found that units which will not be ready for occupancy for many months do not sell quickly. However, developers should not wait until ADUs are complete to submit the Notice as it takes time to review and approve the offering, notify potential purchasers on the waiting list, conduct a lottery among potential purchasers, have purchasers select a unit, qualify for financing and go to settlement.

Section 7 of the attached Notice references the ADU Ordinance requirement that ADUs not committed after 60 days of the 90 day preferential offering period shall be offered to qualified non-profit groups designated by the County Executive. A copy of this list is attached.

Questions about this Notice or any of the required attachments should be directed to the ADU Coordinator of the DHCD at 246-5185.

**AFFORDABLE DWELLING UNIT PROGRAM
NOTICE OF AVAILABILITY
AND
ADU SALES OFFERING AGREEMENT**

This AGREEMENT is made this _____ day of _____, 20____,
by and between _____
(Applicant) and the Fairfax County Redevelopment and Housing Authority (the Authority).

WHEREAS, Applicant wishes to offer for sale as Affordable Dwelling Units (ADUs) certain dwelling units described in Schedules A and B, attached hereto, pursuant to the provisions and requirements of Chapter 112 (Zoning), Article 2, Part 8 of the 1976 Fairfax County Code, as amended (the ADU Ordinance), and the Regulations concerning the Sale and Rental of Affordable Dwelling Units adopted by the Authority (the Regulations).

NOW, THEREFORE, in consideration of the mutual promises, conditions and obligations provided for herein, the parties agree as follows:

1. Notice of Availability: Applicant hereby offers for sale as Affordable Dwelling Units (ADUs) _____ (number) pieces of real property located in _____ (development name), as shown in Site Plan/Subdivision Plat # _____ (Attachments G & H). These properties are more particularly described by lot or unit and subdivision in Schedule A, attached hereto, and made a part hereof. Applicant affirms that Building Permits have been issued for each of these units and the General Covenant (referenced in Section 9 hereof) for this development has been recorded in the land records of Fairfax County. This notice shall not be considered effective until all information required to establish sales prices for the ADUs in conformance with the Regulations has been submitted by the Applicant and the sales prices have been agreed upon in writing.

2. Physical Description of Individual Units: The physical description of each unit being offered as an ADU, along with the items contained in each unit, is listed in Schedule C, attached hereto, and made a part hereof. Applicant warrants and guarantees that each unit

conforms, or will conform at time of delivery by Applicant, to the minimum specifications for Affordable Dwelling Units as required by the Authority.

3. Price:

- A. The purchase price of each dwelling unit, as listed in Schedule C, must include those settlement costs listed in the Regulations and the procedures issued by the County Executive for establishing sales prices for ADUs.
- B. The base sales price for each dwelling unit is that amount as determined by procedures in effect at the time of the acceptance of this offering agreement.
- C. Applicant must construct each ADU listed in Schedule A in accordance with the minimum specifications required by the Authority. Applicant acknowledges having had the opportunity of reviewing these specifications prior to signing this Agreement. The price established for each unit may be adjusted downward by the County Executive, if, in his sole discretion, the minimum specifications for items identified on Schedule C and required for each unit have not been supplied, completed or complied with by the Applicant.

4. Delivery: The units described in Schedule A must be available for occupancy, as determined in compliance with County building code requirements, by the issuance of a Residential Use Permit (RUP), within three hundred sixty-five (365) days from the date of acceptance of this agreement by the Authority. Time is of the essence with respect to the time period provided for in this paragraph.

5. Preferential Offering: For a period of 90 days from the date of final acceptance of this Agreement by all parties, there is a preferential ADU offering period during which the Applicant must make the ADUs offered (other than those which the Authority elects to purchase pursuant to paragraph 6 below) available to persons on the Authority's Affordable Dwelling Unit eligibility list who have Certificates of Qualification. The Authority will provide the Applicant with a list of persons who have Certificates of Qualification, noting the order in which they are to be offered an opportunity to contract to purchase an ADU. Those who contract for an ADU are required to turn in their eligibility certificates to the Applicant or his agent at the time of contracting for the purchase of the property.

6. Notice to Authority: Applicant acknowledges that Authority has the right to purchase up to one-third of the ADUs in any subdivision for a 90-day period following final acceptance of this Agreement by all parties. Submission of this Agreement shall constitute the required Notice to the Authority of the availability of the ADUs. Additionally, the Authority, after the first 30 days of the 90-day Preferential Offering to those with Certificates of Qualification, may elect to purchase up to one-half of the remaining ADUs then available. The Authority must designate the units which it wishes to purchase in writing. After notification by the Authority of its intent to purchase or not to purchase any of the units, the Applicant may begin negotiating sales of any ADUs which the Authority does not elect to purchase to eligible purchasers. During the 90-day Preferential Offering period, units which the Authority does not elect to purchase shall be offered only to persons holding Certificates of Qualification or to non-profit housing organizations, as described below. The Authority has 30 days from the end of the 90-day period to settle on the units it elects to purchase, provided that RUPs for those units have been issued.

7. Notice to Non-Profit Housing Organizations: After the expiration of 60 days of the 90-day period, any ADUs not committed to the Authority or eligible purchasers with Certificates of Qualification shall be offered for sale to non-profit housing groups designated by the County Executive. The Applicant will be provided a list of such organizations. Applicant acknowledges that the Applicant is required to provide notice by registered or certified mail to the non-profit organizations on this list regarding any ADUs remaining for sale on the 60th day of the 90-day preferential offering period. The Notice shall include the information provided in this Agreement regarding the number of bedrooms, floor area and amenities of each remaining ADU and the approved base sales price of each ADU. The non-profit housing organizations have 30 days from the date of receipt of the notice from the Applicant to commit to purchase the units by so notifying the Applicant in writing and 30 days from the end of the 30-day period to close on the unit provided that a RUP has been issued.

8. Documents: The developer will review the income for all purchasers to insure the income criteria for the program is met. Within 10 days from the date of execution of a sales agreement for each ADU covered by this Agreement, the Applicant must provide the Authority with copies of the following items: sales contract and original Certificate of Eligibility of the purchaser. Income documentation must also be provided for all purchasers not referred to the

developer by the Authority. Proof of income includes a copy of the most recent pay check stub(s) and federal income tax return.

Within 14 days after settlement for each ADU, the Applicant must provide the Authority with copies of both the purchaser's and seller's settlement sheets, as well as a copy of the Deed and the Declaration of Covenants for the unit sold evidencing their recordation in the land records of Fairfax County.

9. Declaration of Covenants: The Authority will give the Applicant two forms of the Declaration of Covenants, to run with the land, which subjects the ADUs to the requirements of the ADU Ordinance. The Declaration of Covenants must be completed and signed by the Applicant in the form required for recording in the land Records of Fairfax County. The first Covenant, known as the General Covenant, covers the property subject to the ADU Ordinance and refers to all of the ADUs in the development that are to be offered. It must be recorded before the first ADU in the development is offered for sale. A copy of the duly recorded General Covenant must be provided at or before the time of the execution of this Agreement by the Applicant.

The second Declaration of Covenants must be recorded in the land records with the Deed for each ADU sold. The sales contract for each ADU shall state that the unit is part of the Affordable Dwelling Unit program, is subject to the restrictions of the ADU Ordinance, and impose the Covenant running with the land and invoking the requirements of the ADU Ordinance. The recorded Deed shall contain specific language, in conspicuous form, subjecting the property to the Declaration of Covenants and shall indicate the date of recordation and the Liber and Folio reference of the duly recorded Declaration of Covenants.

The Applicant, his agents, heirs, assigns or successors hereby irrevocably assigns to Fairfax County, Virginia and the Authority all its right, title, interest and obligations to enforce the provisions of the Declaration of Covenants referred to herein during the term the Covenants are in effect; to institute any proceeding in law or equity for the collection of such sums as may be in excess of those allowed by law; or to enjoin any violation or attempted violation of the Covenants or the provisions of Article 2, Part 8 of Chapter 112 of the 1976 Code of the County of Fairfax, as amended.

11. Binding Effect: This Agreement is binding upon the Applicant, the Applicant's agents, successors, assigns, personal representatives, and heirs.
